THE PRINCIPAL'S MESSAGE

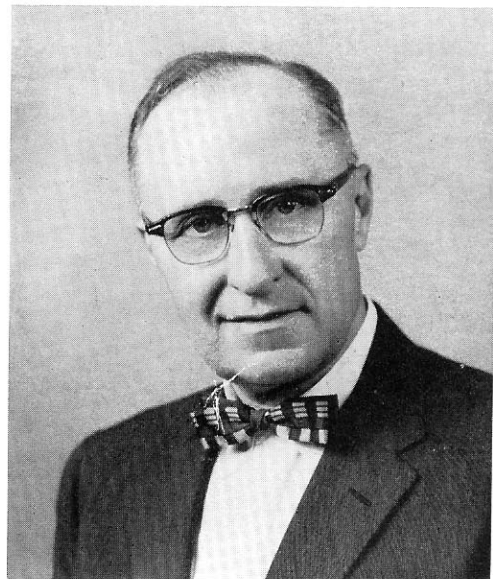

Four years have passed and the members of the Class of '57 will soon join the ranks of the alumnae. To a few students the years have seemed long, to others their high school days have passed too rapidly. However the years have passed for you, rapidly or slowly, the faculty and administration hope that your time spent at L. H. S. has been both profitable and pleasureable; that in years to come you will be able to look back and say, "I am glad I had the opportunity to attend Lancaster High School."
