

CHEERLEADERS

A well known group to all who participate in or attend our basketball and football games is our cheerleaders. Dressed in purple skirts and gold sweaters, these girls do their best to promote school "spirit" and sportsmanship .

Last fall the cheerleaders attended a clinic at Ohio State University to receive ideas for new cheers and better pep sessions.

These six girls work hard at their job, but they feel rewarded by the warm response of the teams, the students, and the fans.
